5	It's not that I don't find value in the meetings, but due to my schedule, I cannot attend meetings, but would love to be involved in projects.	10/25/2022 2:39 PM

1	You do a good job!	10/27/2022 9:16 PM

3	Have others on your Board. Change officers. One or two people run it all.	10/25/2022 6:07 PM
4	No	10/25/2022 5:32 PM
5	A Kilo of Kindness - a compilation of the group's projects (going back as far as there are records, knowing some are lost forever) with either ONE quoted thank you, a summary, or captioned picture for each of the projects we list. This could be collected in a notebook capable of holding 250 sheets - and a digital document would be generated that could then be shared when we reach 1000. And - this could be 1000 participants, 1000 hours, or 1000 projects. By making a goal like the first two, each person's participation might seem more meaningful to them.	10/25/2022 5:12 PM
6	Maybe finding time to connect with each other during the meeting, even if it is brief!	10/25/2022 4:49 PM
7	I'm interested in going to lunch after meetings with whoever wants to join...or having brown bag socials. Looking for more chatting time with amazing people.	10/25/2022 1:18 PM
8	Include speakers and projects for helping our Native American neighbors.	10/25/2022 1:16 PM
9	I am not part of the charming group, but would like charms to give away. Could some be brought to the meetings?	10/25/2022 1:01 PM
